

NEW HYDRO-ELECTRIC GENERATOR FOR GIRARD MUNICIPAL COURT JUDGE

Marty Hume announced his candidacy for the office of Girard Municipal Court Judge and officially kicked off his campaign for Girard Municipal Court.

Marty Hume has been a distinguished attorney for more than 28 years. He has been recognized by his peers as an Ohio SuperLawyer (an honor bestowed on only 5% of all lawyers) for the last four years. He operates a private practice (Martin S. Hume Co., L.P.A.), has served as an Assistant Prosecuting Attorney since January 1997, and has served his community through numerous civic and volunteer roles.

After his decades of experience, Hume offers voters an ideally-qualified choice in the race to fill the seat upon the retirement of current Girard Municipal Court Judge Michael A. Bernard.

Speaking recently of his impending candidacy, Hume stressed the significance of his legal credentials (he has tried over 500 cases throughout his career and is certified by the Ohio State Bar Association as a Specialist in Labor and Employment Law) but also of his longtime leadership role in the civic life of the Mahoning Valley.

"As a lawyer, a prosecutor, a volunteer, and a longtime citizen of this community, I am reminded daily of the critical importance of an effective county court system—a system that treats all litigants equally and judges all cases fairly."

Says Hume, "I have no illusions that one person can end crime or solve all the ills of society, but proper treatment of people with respect and dignity, including the proper imposition of criminal sanctions, can make a real difference. I want to be a municipal court judge because I have the ability to make a difference in the lives of the people in our community."

Born in Youngstown, Hume is a longtime resident of Liberty Township. A graduate of Wesleyan University and The Ohio State University College of Law, Hume, fifty-four years old, is the father of two sons, and has been married to the former Kimberlyn Rexroad, for more than twenty-five years.
